**Subject:** FOLLOWING UP ON VOICE MESSAGE RE DRAFT TECHNICAL ASSISTANCE LETTER  
**Attachments:** ADEM TA Letter DRAFT 10-17-17.docx

**Importance:** High

Hello Tom, hope you are doing well. I am following up on the voice message I left for you last week to share a draft of our proposed technical assistance letter with you for your review. We are still working toward meeting the timeframes discussed between Kevin and Lance to issue this letter by tomorrow, Wednesday, 10/18. To that end, we would appreciate any comments you might have on the attached by tomorrow. However, I understand that this is giving you a tight timeframe so please let me know if you will need additional time to review.

Kevin and Lance are scheduled to speak today at 1:00 PM EST and Kevin will also let Lance know we have shared the draft letter with you and will wait to hear back regrading when we can expect a response. Thanks again and please feel free to give me a call if you want to discuss or have any questions.

Lilian
